# An Inordinate Fondness

Special Edition

99 Uitgevers/Publishers

The Special Edition consists of a series of three piezographs, printed with an Epson K3 on 310 grs Hahnemühle German Etching Paper.

Piezography is a printing technique that uses color pigments of a very high quality, the colorfastness of which is guaranteed for more than a hundred years.

The prints are signed and numbered, each in an edition of 33.

With each print a book (value € 40,-) is also included.

You can choose from three different moths:

# 1 Sheep Moth (Hemileuca Eglanterina)

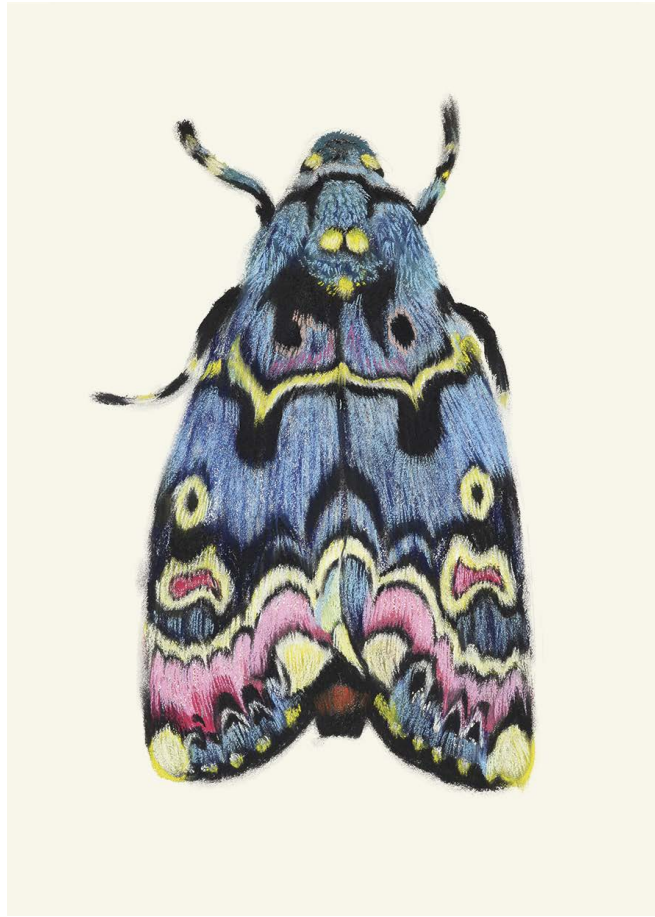

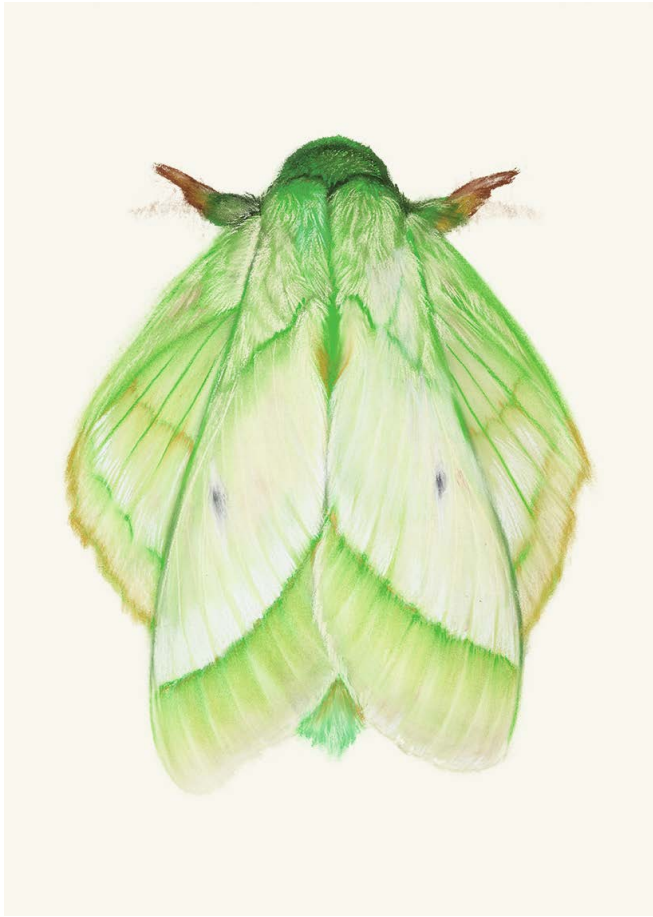

# 2 Rose-Myrtle Lappet Moth (Trabala Vishnou)

# 3 Lily Moth (Polytela Gloriosae)

The special registration price is € 325 per print (+ book).

This offer expires on April 23, 2019. After April 23, the regular price of € 375 applies.
